1. LEARNING MANAGEMENT SYSTEM

Learning Management Systems, Providing asynchronous learning material over the network, sharing and discussing the presented learning material in different ways, enrolling in lectures, taking assignments, taking exams, providing feedback on these assignments and exams, organizing learning materials, student-teacher and system records. These are the software that enable the facilities such as keeping and getting reports to be realized automatically over the network ". In other words; "Learning Management Systems are software that manage and report the interaction between student and educational materials and student and teacher. In Moodle, it is one of the learning management system software and Ostim Technical University uses Moodle as a learning management system.

OSTİM TEKNİK ÜNİVERSİTESİ

- When you complete your transactions on the learning management system, moodle, do not forget to log out safely. You can safely exit by clicking the control panel located in the upper right corner of the screen and selecting the **LOG OUT** option from the drop-down menu.

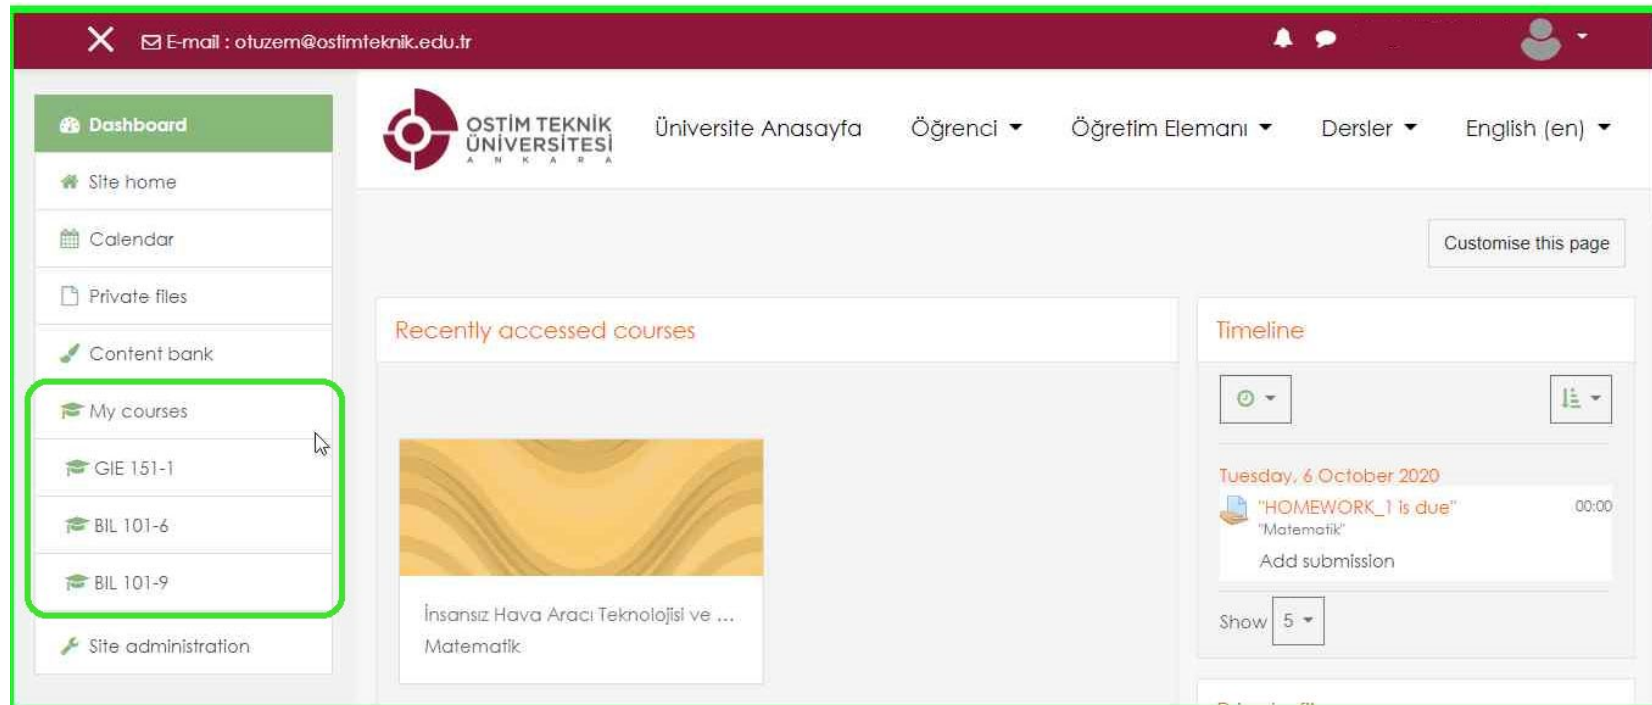

OSTİM TEKNİK ÜNİVERSİTESİ

The screenshot displays the user interface of the OSTİM TEKNİK ÜNİVERSİTESİ. At the top, there is a maroon header bar with the university's logo and name. Below this, a navigation bar contains links for 'Üniversite Anasayfa', 'Öğrenci', and 'Öğretim Elemanı'. The main content area is divided into a left sidebar and a central panel. The sidebar, titled 'Dashboard', lists various links: 'Site home', 'Calendar', 'Private files', 'Content bank', 'My courses', 'GIE 151-1', 'BIL 101-6', 'BIL 101-9', and 'Site administration'. The central panel features a 'Recently accessed courses' section with a card for 'İnsansız Hava Aracı Teknolojisi ve ... Matematik'. On the right side, a user profile dropdown menu is open, showing options: 'Dashboard', 'Profile', 'Grades', 'Messages', 'Preferences', 'Log out', and 'Return to my normal role'. The 'Log out' option is highlighted with a green rectangular box. Below the menu, a 'Time' section shows the date 'Tuesday, 6 October 2020' and a notification for 'HOMEWORK_1 is due' for 'Matematik' with a submission link. A 'Show 5' dropdown is also visible.

OSTİM TEKNİK ÜNİVERSİTESİ

- After logging into the system, the courses you have registered will appear on the main screen. Or, you can access the list of courses you are enrolled in via the **MY COURSES** link on the left side of the interface.

OSTİM TEKNİK ÜNİVERSİTESİ

- You can access the course page by clicking on the name of the course you want to enter.

The screenshot displays the course overview page of the OSTİM Teknik Üniversitesi LMS. The interface includes a top navigation bar with the university logo and email address, a left sidebar with navigation links, and a main content area titled 'Course overview'. The course overview section shows a grid of course cards. One card, 'İnsansız Hava Aracı Teknolojisi ve O... Matematik', is highlighted with a green box and shows a progress bar at 0% complete. The right sidebar contains sections for 'Online users', 'Latest badges', and 'Calendar'.

OSTİM TEKNİK ÜNİVERSİTESİ

- When you reach the course page, you will see that your course content is created on a topic-based or weekly basis, depending on the lecturer's preference. If the content is sorted by subject, the relevant document, live lecture, homework exam, and the link addresses of the applications will be included. Similarly, although the course content is listed on a weekly basis, the link addresses of the relevant documents and applications will also be listed under that week title.

OSTİM TEKNİK ÜNİVERSİTESİ

- Your personal profile information, messages, etc. You can see the information on your profile page, which you can access via the PROFILE link under the drop-down menu in the upper right corner of the screen.

OSTİM TEKNİK ÜNİVERSİTESİ

The screenshot displays the user interface of the OSTİM Teknik Üniversitesi Learning Management System (LMS). The top header bar is maroon with a white logo on the left and a user profile icon on the right. Below the header, the left sidebar is green and contains a list of course-related items: MAT 103-8, Participants, Badges, Competencies, Grades, General, and a list of dates (5 October - 11 October, 12 October - 18 October, 19 October - 25 October). The main content area is white and shows the course details for the selected date range (5 October - 11 October). It includes a link to connect to the online course, a list of course materials (Course Syllabus, Course Source, HOMEWORK_1), and a section for the next date range (12 October - 18 October). On the right side, a user profile menu is open, showing options: Dashboard, Profile, Grades, Messages, Preferences, Log out, and Switch role to... The 'Profile' option is highlighted with a green box and a mouse cursor.
